Reproductive Immunology Study Group, Korean Association of
Immunologists (KAI)

ISIR 2026 Sponsorship Prospectus

2026 International Congress of the International Society for Immunology of Reproduction (ISIR)

Nov 5 - 8, 2026, BEXCO Busan, Korea

Invitation to Industry Partners,

Dear Industry Colleagues,

The International Society for Immunology of Reproduction (ISIR) is pleased to invite your organization to participate in the ISIR 2026 Congress in Busan, Korea.

This international congress will bring together leading experts in reproductive medicine, immunology, obstetrics, gynecology, fertility treatment, biotechnology, and women's health from around the world.

In addition to cutting-edge scientific presentations, the congress will address the growing global challenges of declining birth rates, reproductive health disparities, pregnancy complications, and advances in precision reproductive medicine.

We invite your company to showcase innovative products, technologies, and services while engaging directly with clinicians, scientists, and decision-makers in reproductive healthcare.

We look forward to partnering with you to advance women's health and reproductive medicine worldwide.

Sincerely,

Joanne Kwak-Kim, MD
President, ISIR
